Dear Mr Weisman,

RE: ANTI BIO SYSTEMS RENTAL AT AIRLIE BEACH LAGOON AND PROSERPINE POOL

This letter confirms that the Anti Bio systems have been in use for 6 months at the Airlie Beach Lagoon and the Proserpine Memorial Swimming Pool. During this period, there has been a measurable decrease in chemical consumption at both facilities and there has been a definite improvement in water quality and clarity.

Many favourable comments about the water quality have been received from patrons of both facilities.

Yours faithfully,

Royden James
Manager, Corporate and Community Services
