TO WHOM IT MAY CONCERN

Following the installation of the Anti Bio System to the School's Swimming Pool in June 2004, I would advise that we appear to use less chemicals to maintain the water at the required health and safety levels than prior to the installation of the Anti Bio System. It also appears to cut down on the number of hours for general pool maintenance.

A handwritten signature in blue ink, which appears to read 'Darrell J Pierpoint'.

Darrell J Pierpoint
Secretary to the Board of Trustees
